

Roderick John Fensham

Contact details

Queensland Herbarium
Environmental Protection Agency
Brisbane Botanic Gardens
Mt Coot-tha Road
TOOWONG QLD 4066

Principal Botanist and Adjunct Associate Professor, Department of
Geographical Sciences and Planning, University of Queensland

Phone: (07) 3896 9547(W)

Email: rod.fensham@epa.qld.gov.au

Rod does research related to the ecology and conservation of native vegetation. He tries to disseminate his finding not only by publishing but also through conservation planning, policy and practice. He was awarded the 2005 Sherman Eureka Prize for his research that contributed to regulations that phase out broadscale land clearing in Queensland.
